Academic Scholarship Fund Financial Policy

Investment Policy

Donor gifts designated for the Academic Scholarship Fund are invested for long-term growth and sustainability. AHSEF's current investment vehicle is a low-cost Vanguard conservative growth fund. The account is set up to reinvest dividends and capital gains.

AHSEF provides regular financial transparency to donors and stakeholders. The latest fund balance information and quarterly balance summaries are made available through the AHSEF website at www.ahsef.org.

Withdrawal Policy

AHSEF annually distributes up to **4% of the fund's average market value over the previous 12 quarters**.

This rolling 12-quarter average is used to reduce the impact of market volatility and variations in donor giving levels. The 4% withdrawal rate is intended to support annual scholarship awards while preserving the long-term value of the endowment.

AHSEF Giving Policy

The objective of AHSEF is to encourage long-term academic excellence at Alliance High School.

The current giving policy is to distribute the annual withdrawal for merit-based scholarships using a transparent and deterministic formula, regardless of financial need. If, in the future, the goals of the merit-based scholarship are met, AHSEF may also award scholarships that take financial need into account.

Directed Gifts Policy

In addition to AHSEF's general giving policy and its focus on merit-based scholarships, AHSEF may seek to accommodate donor preferences when an individual gift of more than **US \$15,000** is donated for a directed scholarship purpose, provided the donor's wishes are consistent with AHSEF's charitable mission and applicable legal and fiduciary obligations.

Giving to AHSEF

AHSEF is a U.S. **501(c)(3) tax-exempt charitable organization**. Gifts from U.S. taxpayers may be tax deductible to the extent allowed by law.

When making a gift, please indicate that your donation is designated for the **Academic Scholarship Fund**, unless you intend to support another AHSEF fund.

Merit-Based Scholarship Formula

The AHSEF annual withdrawal is distributed at the end of the school academic year using a merit-based, deterministic, and transparent formula designed to encourage long-term academic excellence.

Assuming the annual cost of attending Alliance High School is **X**, and students in each form are ranked using the most comprehensive annual Continuous Assessment Test, CAT, or equivalent assessment, the fund's annual withdrawal is distributed in the following order and proportions until the available scholarship amount is exhausted.

Order	Student Category	Award Amount
1	First Form 1 student	X
2	First Form 2 student	X
3	First Form 3 student	X
4	Second Form 1 student	2/3 X
5	Second Form 2 student	2/3 X

Order	Student Category	Award Amount
6	Second Form 3 student	2/3 X
7	Third Form 1 student	1/3 X
8	Third Form 2 student	1/3 X
9	Third Form 3 student	1/3 X

Awards are made regardless of financial need under the current merit-based scholarship policy.
