

Alliance High School Endowment Fund

Need-Based Scholarship Policy

Background

AHSEF received a generous donation of **US \$40,000** toward setting up a Need-Based Scholarship Fund for students of Alliance High School. AHSEF hopes that the fund will continue to receive donations from the initial donor and from other alumni, friends, and supporters who wish to help students remain enrolled and succeed academically.

Giving to AHSEF - Need-Based Scholarship Fund

AHSEF is a U.S. **501(c)(3) tax-exempt charitable organization**. Gifts from U.S. taxpayers may be tax deductible to the extent allowed by law.

When making a gift, please indicate that your donation is designated for the **Need-Based Scholarship Fund**.

Investment Policy

- The seed amount was deposited in a separate conservative growth fund, and the account has been set up to reinvest dividends and capital gains.
- The AHSEF Board will make relevant fund information and periodic balance updates available through AHSEF communications and/or the AHSEF website at **www.ahsef.org**.
- The goal of this fund is to address the immediate financial needs of students. It is expected that the initial seed funding will be disbursed over time while AHSEF seeks additional donor support.

Disbursement Policy

- Starting in January 2023, **US \$4,000-US \$5,000** of this fund will be allocated to the incoming Form 4 class based on need, subject to available balances and annual Board approval.
- The school and the OBC currently have a memorandum of understanding (MOU) under which the school solicits applications from students for need-based scholarships, collates the information, and provides it to the OBC, which coordinates with parties that may want to provide need-based scholarships.
- The AHSEF Board will work with the OBC Secretariat to leverage this data to award scholarships, taking into account other scholarships applicants may already have, student performance, and participation in extracurricular activities.
- In addition to applications, AHSEF seeks to quantify scholarship impact where feasible, including days missed due to fees, fee balances as a proxy for need, and grades before and after support.

With this structure in place, AHSEF hopes that other alumni and friends will support the Need-Based Scholarship Fund in future years.
